

Hernando Classroom Teachers' Association

Instructional Bargaining Committee

Application

Do you want to influence your profession and working conditions? HCTA needs dedicated professionals to serve on the Instructional Bargaining Committee. This committee receives training in the bargaining process, attends bargaining sessions, participates in planning sessions to prepare for bargaining, and has direct input to the Bargaining Team's agenda for the year(s) in which you serve. Bargaining Committee vacancies will be filled through this application process based on current needs for balance by grade span, special skills, or job assignment.

As vacancies occur on the HCTA Bargaining Team, these vacancies will be filled from the Bargaining Committee. With difficult financial times continuing, this may be the most important contribution you can make to affect your working conditions. Most meetings are held throughout the summer or after the regular workday starting around 5:00 PM.

Name		Cell Phone #	
E-mail		Summer Phone #	
Worksite		Best Time to Call	
Years in District		Assignment (grade/subject)	

In the space below, briefly state why you are interested in serving on the Bargaining Committee, any previous negotiations experience, and any particular area of interest or expertise that will be helpful in negotiations.

E-mail this application to Lisa Masserio by April 8, 2024.
