

HCTA Proposal

HCSB Additional Athletic Equity Supplement Proposal for the 2021-2022 School Year

Presented by the Hernando Classroom Teachers' Association bargaining unit

Recognizing the need to support additional opportunities for students while acknowledging limited resources, HCTA is requesting the following additional athletic supplements for new girls' high school sports beginning in 2021-2022.

For each affected high school:

❖ One head coach supplement at \$1443.00 each per school x 5 schools =	\$7,215.00
❖ One assistant varsity or JV coach per school at \$855.00 each per school x 5 schools =	\$4,275.00
<hr/>	
❖ Total	\$11,490.00

This represents supplements for new sports at each high school such as, but not limited to, beach volleyball, girls' wrestling, and flag football. This proposal does not carry an expectation that additional new sports would receive a new supplement without bargaining that supplement.
